Wednesday VINITA, OKLA. October 17

CHARLES B. ROGERS.

Charles B. Rogers, Republican nominee for delegate to the constitutional convention from the 59th district, is a man eminently qualified for the position. A native of Indiana, he is from a state where progressive Republican principles have been applied to the making of a state rich in every element that goes to make the ideal commonwealth. His long experience has given him an insight into public affairs which will be extremely valuable and indeed necessary to a delegate who will make a success of the work at Guthrie.

Mr. Rogers has developed his capacity as a man who does things while acting in Washington as a delegate from Vinita. It is largely owing to his strenuous work that Vinita is designated in the statehood bill as a seat of the federal court of the new eastern district of the new state of Oklahoma.

As a Republican no one can question Mr. Rogers' fitness for the position to which he has been nominated. He has been indefatigable in his efforts to organize and build up the party in this section. He is known all over the northern part of the district as an orator who is tireless in his championship of Republican principles.

Above all, Mr. Rogers is a friend of education and of the laboring man. Where the Democratic candidate is opposed to high schools, and to the widest possible extension of free public schools, Mr. Rogers favors them, and he favors also the same education for the child of

the poor laboring man or farmer as for the rich nabob. The planks in the Republican platform recognizing the right of laboring men to protection to life and limb, and declaring in favor of a child labor law to protect his children from too early labor, were put there by Mr. Rogers. He stands squarely on the initiative and referendum plank, and is for the strictest regulation of the railroads and all other corporations.

Mr. Rogers will be elected delegate from the 59th district, and he will be one of the strongest delegates in the convention. The 59th district will be proud of him.

WHICH SHALL IT BE?

One of the leading issues in the campaign for delegate to the constitutional convention will be that of free public schools. The Democratic candidate in the 59th district comes from a state which has a public school system that challenges comparison with any.

Here in Vinita the Democratic party, which nominated Mr. Kornegay, has denied the petition of the children asking for a free public high school, while the Republican party, true to its traditions, has championed the cause of a high school, and will yet give one to Vinita.

If the Democrats write the constitution, the state will have one kind of schools; if the Republicans write it, the state will have another kind. Shall we line up with North Carolina or with Indiana?

A HOT FIGHT

Down in Oklahoma City the fight between the prohibitionists and anti-prohibitionists is a hot one. The prohibitionists fought for the nomination of prohibition candidates by both the Democratic and Republican parties. Defeated in both cases, they have now nominated an independent candidate in each district. The fight is hot in Oklahoma City.

MELODRAMATIC BUT HOLLOW

Candidate W. A. Ledbetter's melodramatic tearing to pieces of his railroad passes on being notified of his nomination is rather nullified by the fact that his partner still continues to act as a railroad attorney, and the partnership between him and Mr. Ledbetter has not been dissolved. There is a lot of hypocrisy in this tearing of passes.

Advice to Housewives
No home is so pleasant, regardless of the comforts that money will buy, as when the entire family is in perfect health. A bottle of Orino Laxative Fruit Syrup costs 50c. It will cure every member of the family of constipation, sick headache or stomach trouble. A. P. Owens.
